Disclaimer: This is an outing of like minded people getting together to enjoy canyoneering. There is no guide, no instructor or person in charge. Each person is responsible for his/her own equipment and safety. Ouray canyons are subject to flash floods and contain sharp rope cutting rocks. Please use caution and conservative judgment.

Canyoneering is a dangerous sport that can lead to serious injury or death.

Canyon Skills Self Assessment

Suggested Skills Associated with Skill Levels

- Beginner –** little to no experience canyoning, canyoneering, rappelling or rock climbing,
- Novice -** have completed 1 to 10 canyons trips;
